

GQ Series

GQ 20C

Hand-held Fiber Laser
Marking System

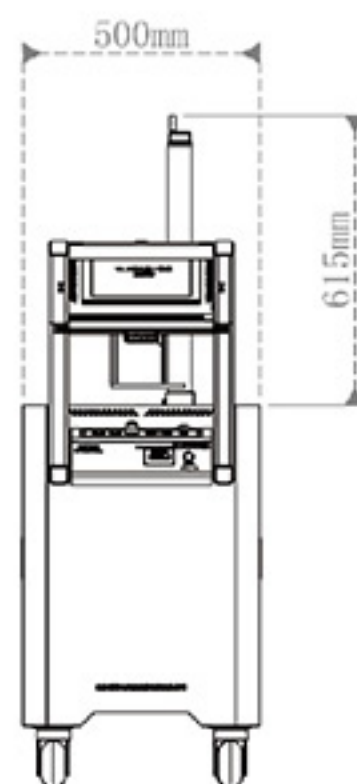

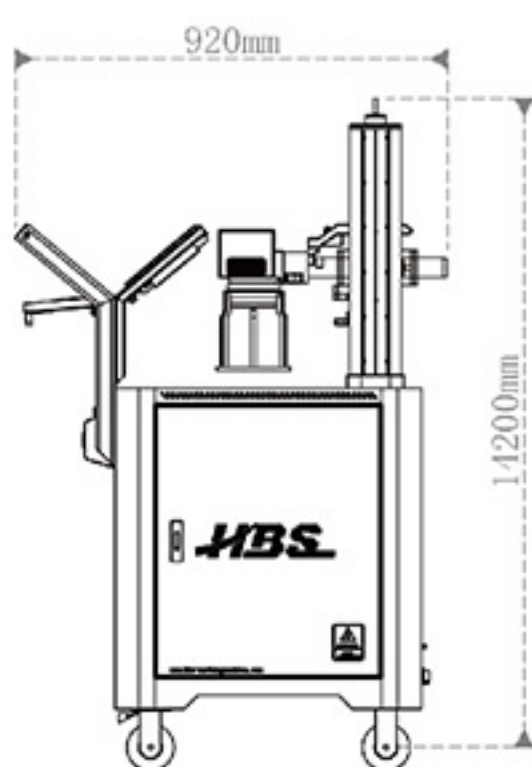

Robust.

Portable.

Flexible.

GQ 20C has a portable laser marking head and robust laser source, makes it easier when you are marking complex, heavy objects. Pre-adjusted focus point allows you to mark quick without checking the focus system. Air-cooled laser source makes it robust under harsh environment, and optional battery powered mode allows you go deep into a complex environment and mark with no power supply cable attached.
